Find Your Place in The Flock

Formed in faith. Prepared for pressure. Built for legacy.

THE COMMUNITY IDEA

The Good Shepherd forms the person. Household Readiness prepares the household. I Am King Gray equips the builder. The Flock supports the ongoing practice. Come with a question and one action you want to complete.

CHOOSE A ROOM BY THE WORK

Historical rooms: The Flock, The Prepared, The Builders and The Council. Final dates, inclusions and available seats must be clear before billing. Community membership does not automatically include every standalone course, book or private session.

YOUR FIRST WEEK

Introduce yourself without sharing sensitive records. Read the community expectations. Choose one useful session or resource. Put one action on the calendar. Ask one clear question and offer proportionate help to someone else.

KEEP IT USEFUL

Respect privacy, decline pressure and keep advice within competence. Do not post passwords, account details or another person's story without permission. An honest question and a completed small action are stronger participation than pretending everything is already in order.

PUT IT TO WORK

Your working page

Use this page privately. Write one decision you can explain, one action you can complete and a date to return to it.
